Good Morning Gentlemen,

I received the attached letter and directive in regards to 845 Willow Street in Signal Hill. This property contains an abandoned well and not an operating well. If I understand this request correctly I believe I do not need to respond to this request. Or if you still need some information can you please assist me in giving you the information needed to complete this? I have also attached an email from the Water Board in regards to storm water stating that this property has a notice of termination that was approved. I believe this is of a different matter but this may help.

I appreciate your time and assistance. You may email me or contact me at (562) 424-5567 ex.24.

Thank you

Ericka Burton
